

Medical Cannabis Club of Guelph

The Medical Cannabis Club of Guelph Fundraising Store

The MCCG Fundraising Store is currently selling delivery mechanisms, hemp clothing, hemp soaps/salves, incense, eco-pens, and refreshments to raise funds to cover our rent.

The MCCG needs to raise approximately \$2700/month to cover our expenses (rent, phone, insurance, security, etc). A general accounting is listed below. We appreciate all support. Even the smallest purchase is extremely helpful as if every patient spent \$17/month, we can stay afloat.

At this point in time the MCCG is deep in debt and having a very hard time covering our costs.

Our address is now public, so please let your friends know that they can come by and support us as well.

We thank everyone for their generous support in this difficult period.

Our Current Approximate Monthly Expenses:

Rent -	\$2489.02
Phone -	\$ 131.66
Maintenance -	\$ 20.00
Interac -	\$ 35.00
Total -	\$2675.68
